

# Land big

## FREE MARKETING MATERIALS!

### Point of Purchase Material

You'll get FREE posters, brochures, and more!

Every Jungle order comes with free materials to help you sell.

Help your staff and customers gain a deeper understanding of pond, fountain and water features. We provide all kinds of information with your customer in mind.

You can also download Jungle pond product and resource information from our easy to navigate web site. Use the information to train and update your sales team. Or make it available to customers who are hungry for water garden knowledge. Print it as you need it!

The ultimate water garden source for everything you need

The right way to start a water garden

### Consumer Ads

Our consumer ads lead even more customers to your door! Plus, Jungle experts visit local television stations around the country to talk about the beauty of water gardens and the products that make them easy to start and maintain.

### Customer Support

FREE help whenever you need it.

Call or email us about the water garden issues you or your customers have and our incredible team of professionals will help you out! At Jungle, you'll find the friendliest, most experienced customer support in the industry!
